

IT'S A PHONEY WORLD!

A song by Simon Camilleri

C
Susie and her folks went out to
F
dinner which was rare.

C
A special time for family
G
But Susie didn't care.

C
She spent the whole time on her phone,
F G Am
her head was down until...

Am F
She looked up and saw they'd left her
C G C
and they'd left her with the bill.

C C/G F G Am
Lie Lie La-lie Lie Lie Lie Lie

CHORUS

C F/C C Am
Don't make me an Angry Bird
G G/D C
Just go outside to play
C
Put down the phone
F
Leave it alone
G
It's such a lovely day
Am F C
Cos you could meet REAL people
F G Am
If you can only say
Am F
It's a phoney, phoney world
C G C
Until you put your phone away!

C
Robert wakes each morning
F
But before he's out of bed
C
The thought to check his mobile
G
Is the first thing in his head.

C
Y'see, lying next to him
F G Am
There on one side is his wife...
Am F
But lying on his bedside table
C G C
Is the true love of his life!

C C/G F G Am
Lie Lie La-lie Lie Lie Lie Lie

CHORUS x2

C
Vanessa's at the movies
F
She tries not to be rude
C
She puts her phone on silent
G
So it won't disturb the mood.

C
Her mobile starts to vibrate
F G Am
The screen it brightly glows...
Am F
She tries to answer it discreetly,
C G C
And this is how it goes...

(movie conversation while music plays)

C
D'ye'ver wonder how the light

F
In your fridge it never dies

C
But if your mobile last a year

G
You're actually surprised!

C
We replace our smart phone

F G Am
Each time there's a new one...

Am F
Maybe as our phones got smarter,

C G C
We all got rather dumb.

C C/G F G Am
Lie Lie La-lie Lie Lie Lie Lie

CHORUS

C
Mark's a modern Christian

F
With his Bible Study app.

C
He could translate into Hebrew

G
With the iPad on his lap.

C
All these wonders of technology

F G Am
Are great to read God's Word!

Am F
If only Mark would actually use them

C G C
Stead of playin Angry Birds!

C C/G F G Am
Lie Lie La-lie Lie Lie Lie Lie

CHORUS x2
